Join the Conversation

The Terrace Hospice Society is hosting an integrated book club with either joining us in person at the office (maximum 6 participants), or via zoom (maximum 6 participants) for a total of 12. Each week we read a chapter or two and then meet to discuss. The books are centered around death, dying, and grieving and discussion provides comfort and clarity. This is a terrific aid to making it more comfortable when discussing difficult topics.

For those enrolled in volunteer training you will earn 5 hours toward your certificate if all sessions are attended.
