

RAINBOWS

The Rainbows program is a grief and loss peer support program for children and their families; whether single-parent families, step-families or families in painful transition.

Rainbows for All Children

Rainbows for All Children is dedicated to providing support for all youth as they navigate grief and heal from loss, whether from death, divorce, abandonment, or other trauma.

Rainbows for All Children fosters awareness that youth require support to heal.

The goal of this after school program is to move children from hurt, through healing to hope.
